Tips for Advertising Your Decals/Magnets to Purchase

- **Display any posters, flyers in **Prominant Places****
-Where there is lots of foot traffic & waiting.
- **Advertise **Where** the decals can be purchased and/or by whom**
- **Advertise what decals/magnets can be **used for****
Ex: Rear Car Windows, Rear Car Magnets, Refridgerators, Lockers.
- **Put **Responsible People** in charge of collecting & distributing orders**
- **Last, but not least: Put an Orders **Due In Date** on the Order Form**
People tend to put things off-this is no exception!
